RE: City of Carrollton  
2013 – 2017 Short Term Work Program Update

Dear Mr. Frederick:

Enclosed for your review is the City of Carrollton's proposed 2013-2017 Short Term Work Program Update, along with Report of Accomplishments on our previous (2008-2012) Short Term Work Program.

Two duly advertised public hearings were conducted in conjunction with this STWP update. The public hearings were held Thursday, April 4, 10 am in the Carrollton City Council Chambers of the Public Safety Annex, and August 5, 2013, 6 pm at the same location.

As we assembled this 2013-2017 Short Term Work Program, the City of Carrollton reviewed both the Middle Chattahoochee Regional Water Plan adopted September 2011, and DNR's Environmental Planning Criteria (O.C.G.A. 12-2-8).

Sincerely,

A handwritten signature in blue ink, appearing to read "Wayne Garner", is written over a horizontal line.
